

CROSS CITY DJs

Welcome to Cross City DJs

ABOUT US

Cross City DJs is a professional DJ for hire business. We specialise in providing customised DJ and MC entertainment packages for your next party or special event. From start to finish we are completely dedicated to making your event a memorable experience. We make this possible by focusing entirely on YOU and what you imagine that perfect night with your friends and co-workers to be.

At Cross City DJs we have the resources and the experience to cater to any age group, event and music style. We have provided entertainment services for weddings, party's, corporate events and clubs all across Sydney and Brisbane since 2010

We make use of a number of tools to make your vision a reality, these include:

- ||| A fully customised music playlist
- ||| Club standard lighting and effects
- ||| State of the art microphone and speaker systems
- ||| Back up equipment kept onsite
- ||| We take requests !!
- ||| Party Photography and MC services available

CROSS CITY DJs

OUR TEAM

Lawrence

Founder of Cross City DJs, Lawrence is known across Sydney for his ability to get people out of their seats and into the partying spirit. As a senior student of Music Technology at the Griffith conservatorium Lawrence has pursued a career in DJ performance and music production since a young age. Having performed at some of the most prestigious events across Australia Armed with a laptop and a huge collection of the latest music from around the world, Lawrence can deliver the ultimate club party set.

Daniel

Having worked in the Brisbane music industry for several years, Daniel has amassed a wealth of experience in DJ work for people of all ages and musical tastes from the glam rock ballads of the 70s to the top 40 party tracks of today he is able to get any and all party goers out onto the dance floor. he has studied live sound, and theatre, and is a well-versed and experienced multi-genre musician.

Daniel has studied Audio Engineering at JMC Academy as well as Live Production, Theatre and Events at the Queensland Institute of Tafe, he is a qualified live sound and lighting engineer and has done clubbing and event work all over the greater south-east Queensland area, He will use his talents to bring a truly unique experience to your next party or event.

CROSS CITY DJs

TESTIMONIALS

At Cross City DJs there's nothing we care about more than the end result. Customer satisfaction is always our top priority, here are what a few of our past clients have had to say about our services:

Samantha's New Year's Celebration -

Wow, we had an awesome time! The light show was amazing, thanks for making this the best New Year's party ever!

VET conference masquerade party at Brisbane Entertainment Centre -

Only thing better than the food was your service! Truly a night to remember, never seen that dance-floor so packed and your staff were professional and punctual.

Jennifer and Daniels wedding reception -

Thank you so much! You guys did a great job. The MC was hilarious! Our friends are having a wedding next month and we will be recommending you to them.

Suzie's daughter's 18th birthday -

My husband hasn't danced like that since our wedding! My daughter and her friends had a great time too. Awesome effort.
